

NOTICE

This is to bring to the kind notice of the following members of the Anatomical Society of India that all the letters/notices/circulars, election notice, Journals and other communications being sent to them from time to time by Speed / Ordinary post from the offices of the General Secretary, Treasurer, Returning Officer and Editor-in-Chief are being **returned undelivered**. Last year (2016) a large number of Election Notices and Ballots returned this way. In view of the huge loss of money and man power the matter was discussed in the EC and GB of ASI held during the NATCON 64 at Jodhpur [Rajasthan].

It was decided that a list of such addresses may be uploaded in the ASI website so that the **members could make corrections**, column-wise, and send the information on the email IDs of the General Secretary <qslanatsoc@gmail.com> by **31st of August 2017** so that various offices are informed and records corrected. Till then it will not be possible to send any communication to the members included in the list including election related matters.
