

Prof. Em. Dr. Inderbir Singh

Dr. Inderbir Singh was born on 29th August **1929** in a small town called Maymao in **Burma** (Myanmar). The family migrated to **Sialkot** (now in Pakistan) in **1942**. He joined King Edward Medical College, Lahore but soon migrated to Amritsar due to partition and obtained MBBS degree in **1952** from Government Medical College, **Amritsar**. He got his Master's Degree in **1952** from Govt. Medical College, Patiala and later PhD in **1965**. He was awarded MAMS in **1964** and FAMS in **1997** He joined PGIMS, **Rohtak** in **1963** as Assistant Professor. He was also awarded WHO Fellowship for one year at the University of Cambridge, England in **1961-62**. He was promoted as Professor in **1970** and retired in **1989** as Professor and Head. Later he continued to contribute towards anatomy as Professor Emeritus till his last. His commendable contribution in developing anatomy museums in Medical Colleges at Amritsar, Patiala and Rohtak cannot be forgotten.

Qualifications

MBBS
MS
PhD
FAMS

Apart from teaching anatomy, his main occupation was research. He is **quoted** in several text books with **more than 100** publications in national and international journals of repute. **Staining technique** developed by him at Rohtak has been widely used in other countries like Italy, Germany and USA.

He wrote **first book** in Anatomy, on Human Embryology in **1974** which was sold like a hot cake. This was followed by publication of a series of books covering all aspects of anatomy which are very popular amongst undergraduate and postgraduate students and teachers. He transformed his skills from paper and pen to the use of IT for academics and research.

Besides being teacher and researcher he was a hard task master, a perfectionist, he had keen interest in painting, music and carpentry. Humility personified, he was honoured with **Living Legend Award** during North zone conference of IMA College of General Practitioners at Patiala in **2002**.

He has been General Secretary of the Anatomical Society of India. In recognition of his great contribution to anatomy he was the first anatomist to be conferred with **Prof. Inderjit Dewan Life Time Achievement Award in 2012** at PGI Chandigarh by the North States Chapter of the ASI. He left for his heavenly abode in **March 3, 2014**.
