Submit All Votes

Step 4-> Select your candidates as per the posts. And click 'Submit All Votes' Button.

Step 5-> After clicking **Submit All Votes**, a confirmation popup will be displayed.

- Please check your selected candidates for each post.
- If your selected candidates are correct and you are sure you wish to submit your vote, click "Confirm & Submit".
- If anything is wrong, or if you mistakenly clicked on another candidate and wish to correct your selection, click "Go Back" to make changes.

Once you click the 'Confirm & Submit' button, your vote will be recorded and you will receive a success message.
